DISCLAIMER

This Land Information Memorandum (LIM) has been prepared for the applicant for the purpose of section 44A of the Local Government Official Information and Meetings Act 1987.

The LIM includes information which:

- Must be included pursuant of section 44A of Local Government Official Information and Meetings Act 1987
- Council at its discretion considers should be included because it relates to land
- Is considered to be relevant and reliable

This LIM does not include other information:

- Held by council that is not required to be included
- Relating to the land which is unknown to the council
- Held by other organisations which also hold land information

Council has not carried out an inspection of the land and/or buildings for the purpose of preparing this LIM. Council records may not show illegal or unauthorised building or works on the land.

The applicant is solely responsible for ensuring that the land or any building on the land is suitable for a particular purpose and for sourcing other information held by council or other bodies. In addition, the applicant should check the Certificate of title as it might also contain obligations relating to the land.

The text and attachments of this document should be considered together.

This Land Information Memorandum is valid as at the date of issue only.

Part 2. Requisitions and Notices – Section 44A(2) (d)

Status of Requisition or Notice

As long as the Council has no evidence that the request relating to the Requisition or Notice has been met, the status of the Requisition or Notice will be shown as being **'current'**. The Council reserves the right to initiate appropriate enforcement action in relation to the Requisition or Notice.

In some instances Council has no detailed records in relation to 'historic' Requisitions or Notices. The status of those Requisitions or Notices will be shown as being **'dormant'**. The Council will take no further action in relation to the Requisition or Notice unless the records are recovered and the circumstances warrant further action.

According to Council database the following requisitions or notices are on this property. Please note that a copy of the requisition or notice letter is attached, if available.

Once the Council has evidence that the request relating to a Requisition or Notice has been met, the status of the Requisition or Notice will be shown as being **'satisfied'**. The Council will take no further action in relation to the Requisition or Notice.

Application Type	Number	Description	Application Status
Requisition	REQ-1995-969	Unauthorised Buildings built out of car cases: (a) laundry; (b) sleep-out come office; (c) builder's shed.	Current

☎ Auckland Council (09) 301 0101 if you require further information.

Part 3. Special Features – Section 44A (2) (a)

(a) Other special features (not included in the District Plan)

Note:

This information should not be regarded as a full analysis of the site features of this land, as there may be features that the council is unaware of. The applicant is solely responsible for ensuring that the land is suitable for a particular purpose including development.

Special Feature Code: GEO - Miscellaneous

A slip occurred on this site at the rear of the dwelling.

(b) Proximity to electricity transmission lines and towers

If there are high-tension electricity transmission lines over or adjacent to the property or there are transmission towers/pylons on or adjacent to the property the applicant must ensure that any proposed building complies with the line clearances and/or the requirements for excavation in the vicinity of towers/pylons prescribed in the New Zealand Electrical Code of Practice for Electrical Safe Distances. Contact Transpower on 0800 843474 for further information.

This information is provided pursuant to section 44A (3) of the Land Government Official Information and Meetings Act 1987.

(c) Reported Incidence(s) of flooding / stormwater issues

Council holds no records of reported incidence(s) of flooding / stormwater issues

(d) Potential risk of flooding / Overland Flowpath

A Council stormwater study has indicated that this property is potentially at risk of flooding during heavy rainfall events. Any proposed development on this site may require a detailed flood risk report to be completed by a qualified drainage engineer. This will confirm the extent of the flood risk and action required. Any proposed development must have regard for established flood levels and must ensure that flood plains and flow paths are not impeded.

Part 4. Planning – Section 44A (2) (a) (ii)

(a) Land Use Consents under the Resource Management Act

The following Land Use Consents have been lodged on this property.

Note: if there are any conditions, then only that portion of the consent will be included in the attachments section. It is the owners responsibility to ensure that all conditions of resource consents are complied with and continue to be complied with.

 For information on any outstanding conditions or ongoing monitoring contact Auckland Council 301 0101, ask for Duty Planner

Number	Description	Status
LUC-2005-821	Retaining Wall; Earthworks, Building Location, Retro-Spective Consent.	Completed

(b) Operative Zoning

See attached maps for Operative District Plan Zoning

(c) Known Special Features/Characteristics of Land

The Council knows the following special features or characteristics of this land.

Note:

This information should not be regarded as a full analysis of the site features of this land, as there may be features that the council is unaware of. The applicant is solely responsible for ensuring that the land is suitable for a particular purpose including development.

(i) Other Planning Features:

This property is located within the Waitakere Ranges Heritage Area as defined in the Waitakere Ranges Heritage Area Act 2008. The Act can be found at www.legislation.govt.nz while a supporting non-statutory design guide for development in the Waitakere Ranges Heritage Area (entitled 'Waitakere Ranges Foothills Design Guide') is on Council's web site www.aucklandcouncil.govt.nz.

- Road Hierarchy – Local Road
- Property is within a Sensitive ridge – Moderate (65m)
- Property is with the Titirangi-Laingholm Subdivision Area 2

Please note this property was previously shown under the Transitional District Plan as being located in a Stability sensitive area.

 For information on any outstanding conditions or ongoing monitoring contact Auckland Council 301 0101, ask for Duty Planner

The Council may hold additional information for this property, for example concerning resource consents for discharges to air, land or water issued by the former Auckland Regional Council prior to 1 November 2010 and by Auckland Council prior to November 2013. If you would like the Council to search for this type of information, please call 301 0101.

(d) Proposed Unitary Plan

Please note that the Proposed Auckland Unitary Plan applies to this property. This LIM report does not contain specific information about the Proposed Auckland Unitary Plan. The Proposed Auckland Unitary Plan should be carefully reviewed and considered, as it may have implications for how this property can be developed or used. The Proposed Auckland Unitary Plan can be accessed at Council service centres and libraries and can be found on the following internet page:

<http://www.aucklandcouncil.govt.nz/EN/planspoliciesprojects/plansstrategies/unitaryplan/Pages/home.aspx>

Special Housing Area (SHA)

Special Housing Areas are now in operation around Auckland. Being in a SHA enables land owners/developers to develop under the provisions of the Proposed Auckland Unitary Plan, which may be significantly different to the current 'operative' District Plans, and to access a fast-track development process.

Until 16 September 2016, the Council and Central Government may establish SHAs in accordance with the Housing Accords and Special Housing Areas Act 2013 and the Auckland Housing Accord for the purpose of accelerating Auckland's housing supply.

Maps and other information on SHAs can be found on the following internet page:

<http://www.aucklandcouncil.govt.nz/EN/RATESBUILDINGPROPERTY/HOUSINGSUPPLY/Pages/specialhousingareas.aspx>

Contact the Housing Project Office (09) 373 6292 or specialhousingarea@aucklandcouncil.govt.nz for further information.

Part 5. Subdivision and Development

There is no record of a Scheme Plan on this property.

Financial and development contributions are relevant for recently subdivided land, vacant lots, new residential unit(s) or where there is further development of a site. If any financial or development contribution has not been paid, council can recover outstanding amount(s) from a subsequent owner of the land.

Please note that financial contributions and development contributions may be paid in land, cash or a combination of these. The form of payment of contributions may be subject to negotiation but final discretion remains with the Council.

Part 6. Building – Section 44A (d)

The following consents and permits have been applied for and/or issued.

Note that consents and permits for other addresses will be included. For cross lease it may be important to consider these for site coverage issues.

If the land has been subdivided there may be consents and permits included that relate to the original property.

(a) Building, plumbing and drainage consents and permits

Status notes:

- Building Permit Issued - Permit issued prior to the Building Act 1991 taking effect. Code Compliance Certificates (CCC) were not required.
- Construction Review - Consent approved but a final Code Compliance Certificate (CCC) for this consent has not been issued.

The following Building Permit and Consents have been lodged on this property.

Permit/Consent	Number	Type of Work	Status
Building permits pre 1/07/1992	BPM-1990-8844	Dwelling	Complete
Certificate of Acceptance	COA-2005-7	COA - Retaining Walls To Stabilise Existing Slip	Cancelled
Combined Building Consent and PIM application	COM-2005-1049	Retaining Walls Above House	CCC Issued

Building Act note:

While Auckland Council has always endeavoured to maintain full pre-Building Act records, Councils were not legally obliged to do so. It is recognised that not all records for this period have survived and in other cases where building work is documented, information may be incomplete. Council does not accept responsibility for any omission.

It is recommended that Council records are viewed and compared with the actual building and activities on site to identify any illegal or unauthorised building works or activities.

☎ Auckland Council (09) 301 0101 if you require further information, ask for Building Control team

(b) Swimming/spa pools

There is no record of a swimming / spa pool on this property.

☎ Auckland Council (09) 301 0101 if you require further information

☞ Pool fencing information is available for viewing – <http://www.aucklandcouncil.govt.nz>

(c) Compliance Schedule – Section 108 of the Building Act 2004

In accordance with Section 438(1)(b) of the Building Act 2004 this compliance schedule issued under Section 44 of the Building Act 1991 has effect as if it had been issued under Section 102 of the Building Act 2004.

Where the use of the building is going to change or any alterations are going to be made so as to trigger the issue of a new compliance schedule, this compliance schedule will be invalid and a new one will need to be obtained in accordance with Sections 100 to 107 of the Building Act 2004.

Council has no record of a Compliance Schedule for this property/building.

If it is evident that any specified systems such as lifts or commercial fire alarms are present in the building, the owner must ensure there is a current compliance schedule or building warrant of fitness, if none present, an application to Council for a Compliance Schedule is required.

☎ Auckland Council (09) 301 0101 if you require further information

Part 7. Licences – Section 44A (d)

No Health licences currently apply to this property.

No Liquor licences currently apply to this property.
