QUOTATION: TO PARTIALLY REPILE THE HOUSE AT 193 VICTORY ROAD LAINGHOLM.

Thank you for the opportunity to quote on the repiling of your clients house. All work undertaken will be to NZS3604 specification.

This quote is to relevel part of the house, with care taken to maintain the existing state of the property, both inside and out. Some minor internal surface damage may occur depending on the amount of correction required.

Twenty of the existing house piles on 4 different bearer lines will be removed and replaced with 125x125mm H5 treated senton piles set into concrete foundation and attached to bearers with approved fixings. The remainder will be relevelled onto the existing foundation.

Any additional work encountered during this process will be negotiated separately at the time.

Labour and Materials:

\$8,500.00 + GST.
